I qualified as a Chartered Public Finance Accountant in 1966 and held senior finance posts in a number of public bodies in the UK. From 1985 until I retired I was an independent Public Sector Management Consultant working on major international development projects sponsored by (inter alia) The World Bank, United Nations, DFID, in more than 40 countries worldwide latterly advising the Federal Ministry of Finance and various sub-national governments in Russia and China.

My varied projects include water and sanitation, health care, urban planning, economic development, low cost housing, public transport and education.

I joined Rotary in 1985 and have been a member of the Rotary Club of the Wrekin in District 1210 ever since. My Rotary journey has included every job in my club including club president in 2006-07, District Treasurer 2009-2016 and DRFC for the past three years. I have been a member of the Cadre of Technical Advisers to Rotary Foundation since 2011 and have undertaken reviews of projects and districts in Denmark, Ghana, Uganda and India.

I have been happily married to Doreen for 54 years and have two grown up daughters one of whom now lives, and is a Rotarian, in Brisbane Australia.
